**By Fire, By Water** Mitchell James Kaplan 2010-05-18 Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in By Fire, By Water, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

**Sovereignty** Mary Kathryn Nagle 2020-02-15 Sovereignty unfolds over two parallel timelines. In present-day Oklahoma, a young Cherokee lawyer, Sarah Ridge Polson, and her colleague Jim Ross defend the inherent jurisdiction of Cherokee Nation in the U.S. Supreme Court when a non-Indian defendant challenges the Nation's authority to prosecute non-Indian perpetrators of domestic violence. Their collaboration is juxtaposed with scenes from 1835, when Cherokee Nation was eight hundred miles to the east in the southern Appalachians. That year, Sarah's and Jim's ancestors, historic Cherokee rivals, were bitterly divided over a proposed treaty with the administration of Andrew Jackson, the Treaty of New Echota, which led to the nation's removal to Oklahoma on the infamous Trail of Tears. A direct descendant of nineteenth-century Cherokee leaders John Ridge and Major Ridge, Mary Kathryn Nagle has penned a play that twists and turns from violent outbursts to healing monologues, illuminating a provocative double meaning for the sovereignty of both tribal territory and women's bodies. Taking as its point of departure the story of one lawyer's passionate defense of the rights of her people to prosecute non-natives who commit crimes on reservations, Sovereignty opens up into an expansive exploration of the circular continuity of history, human memory, and the power of human relationships.
