Quicksilver Amanda Quick 2012 After Virginia Dean wakes up next to a dead body with a bloody knife in her hand, the only person who believes

she did not commit murder is Owen Sweetwater, a hunter of psychical monsters who is investigating the deaths of two glass readers. *What Works in Girls' Education* Gene B Sperling 2015-09-29 Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment *What Works in Girls' Education* is a compelling work for both concerned global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to dive into the evidence and policies on girls' education.

Men of Burly Bear Felicity Raine 2021-07-08 This is the complete MEN OF BURLY BEAR series bundle, which includes all four books in the collection: Book 1: The Mountain Man's Temptation Book 2: The Loner's Obsession Book 3: The Billionaire's Nanny Book 4: The Professor's Pet *This Trust of Mine (Raine Series 2)* Amanda Bennett 2013-05-21 "Love cannot be defined by age or time, but by the way that person makes you feel. He made me feel completely vulnerable, but vulnerability I have learned is a gift, one that I will gladly accept from Madison Raine." Kayla Madison had irrevocably changed me. He opened me up to feel things I had never felt, and he never judged me for my past. In the short amount of time I had known him, I had fallen in love with him and everything he encompassed. He showed me how to live, how to enjoy life, but best of all, he showed me how to love. They say bad things happen to good

people, well that saying rang truer to me now than ever before. Madison is gone. He is off at school in Arizona, and I just couldn't bring myself to leave with him. That was my first mistake. See the thing about trouble is, it will always find you. Trouble found me the night he left, and that night forever changed me. Now I am fighting my way back, alone. Madison Leaving Kayla was one of the hardest things I had ever had to do. To say I regret my decision to leave her behind, would be an understatement. My world shifted when I met her and I would forever be changed. Everything felt different now that I was away, everything with her at least. Something was wrong, I could feel it. I needed to go to her to find out what this feeling was, but would she trust me enough to tell me, and could I trust her to forgive me. "When life, love and heart breaking circumstances stand to pull apart a bond so strong, what do you do without trust?"

TAKING TURNS Ja Huss 2017-01-11 I've never been afraid of the dark...but that doesn't mean I wanted to live in it. And maybe everyone wants what they can't have, but I should've thought it over before I accepted the key and unlocked the door to their forbidden world. Number One is mostly silent. He watches me with them very carefully. His gaze never wanders. His interest never wanes. Number Two is mostly gentle. But it's the other side of him I like best. The wild side. Number Three is mostly reserved. He refuses to cross the line. Even when I beg. It was

carnal, it was sensual, and it was erotic. That's it. That's all it was supposed to be. A trip into the dark. A peek into the forbidden. I just didn't expect to like them.

Wrong Kind of Love Amanda Heath 2013-07-25 *This is a new adult romance not meant for those under 18. It contains sex, drugs, and under age drinking. The first time I ever saw Caden Harper I'm pretty sure I fell in love. All that golden hair and pale blue eyes. He was mysterious and covered in paint. I found it endearing and wanted nothing more than to find out all his secrets. I gave that man things I would never give anyone else. He blew it though. Which I shouldn't be surprised considering he is a womanizer. So I moved on, well kind of. Jaden Harper wasn't what I expected. I found myself drawn to him almost as much as his brother. Maybe it's the fact they are twins or maybe it was the fact I wanted to live on the wrong side for once in my life. Now I've found myself dug deep in this game. There's no end in sight and I wonder when all the lies I have told will come back to haunt me. Neither man should know the things I've gone through. Neither should trust me. I'm not who I say I am. My past is full of things I won't ever share. But where will that lead me when Caden

wants nothing more than to consume me? He won't wake up to see he has the wrong kind of love. My Name is Grace Breadfield and this is my story.*While this title is a part of the Young Love series, it can be read as a standalone. There is a HEA and no cliffhanger.

False Memory (False #1) Meli Raine 2019-08-15 It all started with the bereavement flowers with my name on them. Not the best way to wake up, right? I work in a flower shop. I know a funeral arrangement when I see one. I know a killer when I see one, too. And one is standing in my hospital room right now, straight behind the man who saved my life. I can't tell anyone the truth, because that's the fastest way to really die. So I do the next best thing. I "lose" my memory. I fake my amnesia. Pretending not to remember a brutal attempted murder has its perks. The killer is backing down, spending less time around me, loosening the noose. The less I claim to recall, the more my rescuer, Duff, works to help me "remember." I hate lying to him. But he doesn't understand that my memory is dangerous. To me. And to him. Fooling everyone isn't easy. It's the hardest thing I've ever done. Except it's starting to look like I've been fooling myself. In more ways than one. Read Book 1 in the newest series from USA Today bestselling author Meli Raine. "The first book in the False trilogy is a psychological thriller worthy of Hitchcock, keeping you guessing until the very end. Lily Thornton is the ultimate unreliable narrator — after waking from a 14-month coma, she struggles to remember the day she was shot. As Lily slowly recovers, she's terrified when she recognizes the face of her would-be killer among her inner circle — but can she trust her own memory? With potential enemies at every turn, a twisty political conspiracy, and just a hint of romance, False Memory offers thrills that will delight both romance and mystery readers." — Apple Books Editors "...intrigue and dark humor on display in this thriller..." While the immediate—and more compelling—tension in Raine's (A Shameless Little Bet, 2018, etc.) heart-pumping series opener comes from Lily's constant proximity to her would-be killer, the action takes place against a backdrop of secret government scandals. Fortunately, Lily's voice is captivating, wry, and tough enough to sell this thriller. The novel ends with a cliffhanger that startles, if only because readers will

have become so attached to Lily. — Kirkus Reviews Praise for Meli Raine's books: "Fresh, riveting, and thrumming with emotion and romantic suspense, False Memory is absolutely unputdownable. You need this book!" - New York Times bestselling author Meghan March "I accidentally lost a day to this trilogy! It is unputdownable. Apparently I'm on a dark-and-twisty binge, and this book is addictive." - USA Today bestselling author Sarina Bowen (Harmless series)

Surviving Raine Shay Savage 2013-06-01 "There's a moment when it comes to amazing books... where you realize that the book you're reading completely and irrevocably owns you... [Surviving Raine] has that moment." - Ash the Book Snob As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he

prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself... ..until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Raine's young, she's cute, and Bastian would probably be into her if he wasn't suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person starts to open up when he thinks he's going to die, but when she realizes their traumatic pasts are connected, it's no longer the elements that have Bastian concerned. He has no idea how he's going to Survive Raine. "Shay Savage's website almost cockily proclaims that she writes "Fiction with Teeth." HA! Nothing cocky about the truth, my friends. I guarantee, that is maybe the *only* accurate way to sum up the dark, unsettling, exciting, unapologetic, fascinating, shocking, frank, graphic, primal, crude, sexy, at times horrific, consistently compelling experience that is Surviving Raine!!" -Elizabeth (Sweptawaybyromance.com) There are moments in Surviving Raine that will make you laugh, make you cry, and make your heart (and other parts) clench. This is one you will definitely want to put on your TBR list! -Kassie and Lauren (fics2flicks.com)

Heart and Arrow Raine Miller 2015-01-04

Right as Raine Lucy Lennox 2021-01-30 Tiller: As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night-- every night--but actually touching him would be a serious personal foul. And falling for him? That's completely out of bounds. Mikey: I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town. Suddenly, there's not much to do but look at each other. And talk. And hopefully, hopefully touch. But what happens when our stay in Aster Valley is over and it's time to return to the

real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

This Love of Mine (Raine Series 1) Amanda Bennett 2013-04-17 I needed an escape. An escape from my momma, a woman who cared more about herself than her own daughter. A woman who couldn't stand the sight of me since my father left. A boyfriend who was nothing but trouble. Trouble that I couldn't say no to. Unfortunately, leaving them both would prove to be either the best decision I could ever make, or the biggest mistake of my life. My plan was to escape to the one place I always felt safe. A place where life is simple and quiet, and a place where I could finish my senior year of high school unscathed. Abernathy, Texas was my second home, and my grandparents were the parents I always wanted. There was no one around this one horse town to complicate my life any further, or at least that's what I thought. That was, until I met Madison Raine. He held the power to turn my peaceful escape upside down and inside out with just one look. He was beautiful, in every sense of the word and with that beauty, came trouble. There were a million reasons why I should stay away from him, but none of them seemed to matter when I caught sight of those emerald green eyes. It was becoming clear that staying away from Madison would be harder than I had anticipated. A past like mine never fully disappears, until you find yourself faced with the irreparable truth that sometimes you have to take matters into your own hands, consequences be damned. Kayla James (KJ) was everything I never knew I wanted. This was the last summer I would be on the farm before I headed off to college, and meeting her was the last thing I expected. I didn't know what had brought her here, and I honestly didn't care. I had my own things to deal with and a relationship wasn't one of them. Little did I know that this girl, would wind up being exactly what I needed in every way possible. Life hasn't always been easy, and telling my grandparents that I was going to college in another state was going to be the death of me, but it was something I needed to do. I needed a life outside of Texas, one where no one knew who I was or what I had lost. Between baseball and my band, I thought I had it made. All it took was one look into those baby

blues and I was a goner. I ended up needing her like I needed air to breathe, and everything inside of me wanted to be with her regardless of the outcome. How do you choose between love and life, and convince the one person who trusts no one, to take a chance on you? (This is book #1 of three in The Raine Series. It contains mature language and situations)

Drive Kate Stewart 2017-10-13 Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me.
